Prayer by Senator Barrow:

Father, no one better than you knows for us as people of the soil—
 The sweat of our brows and rack of our toil
 To rise in your springs
 Sweat before dawn through the dusk
 In order in autumns to gather food from the husk
 And then in your winters when its over—
 The land's lease
 To have fed all your people and brought to earth peace
 On the historic resumption by two great nations of the world
 of communication towards that end after 23 years of war—
 we can pray no more timely prayer to you than a prayer for
 peace throughout your universe and on this great earth you've
 placed in our trust.
 Goodwill to all mankind. Amen.
